Office of the Legislative Counsel

Wednesday - 7 October 1959

1. Mrs. Marion Miller in Senator Prescott Bush's (R., Conn) office called to say that the Senator had received a letter from a constituent concerning the Khrushchev statement to the effect that the Soviets had obtained U.S. code books and then sent false information through our codes. The constituent also mentioned the comment attributed to the Director. Mrs. Miller has requested our assistance in writing a reply to the constituent.
